THE SHAPE OF QUALITY

We continuously study design solutions, without losing sight of any of the qualitative aspects of our products.

That's why every single model in the Elegant Catering Solution line undergoes scrupulous quality control and safety checks, as essential requirements totally in line with our passion for style and design.

Studiamo continuamente soluzioni di Design senza perdere di vista gli aspetti qualitativi dei nostri prodotti. Ecco perchè ogni singolo modello della linea Elegant Catering Solution viene sottoposto a scrupolosi controlli sulla qualità e sulla sicurezza, requisiti imprescindibili a cui associamo la nostra passione per l'estetica.

Because WE CARE TO MAKE THE DIFFERENCE

It might seem obvious, and, in fact, according to our principles, it should be the norm - since we care so much about our planet, we have adopted special protocols to minimize the environmental impacts of our glasses and saucers. Each and every model in the Elegant Catering Solution line is 100% recyclable, and, by our durability tests, are guaranteed to withstand at least as many as 50 washes.

Potrebbe sembrare scontato e in effetti, secondo i nostri principi, dovrebbe essere la norma, ma teniamo al nostro pianeta ed è per questo motivo che abbiamo adottato dei protocolli specifici per ridurre al minimo l'impatto ambientale dei nostri bicchierini e piattini. Ogni modello della linea Elegant Catering Solution è 100% riciclabile, mentre i nostri accurati test garantiscono una durata fino a 50 lavaggi.

MORE THAN 60 models

We offer a vast choice of models to satisfy every taste and need.

Our range includes small glasses and saucers, available in different capacities and sizes, some of which are particularly suitable for deliveries and takeaways, thanks to their practical lids.

Offriamo una vasta scelta di modelli per soddisfare vari gusti estetici e le differenti esigenze.

La nostra gamma si compone di bicchierini e piattini disponibili in diverse capacità e misure, alcuni dei quali adatti anche al delivery e al take away, grazie a pratici coperchi creati ad hoc.

FOR YOUR BEST CREATIONS

The transparency and extreme lustre of Elegant Catering Solution products are the fruit of our pursuit of excellence, expressed in the selection of superior raw materials, such as Crystal, and cutting-edge technologies used to obtain the highest quality finishes.

Thanks to these characteristics, we are able to put products on the market that allow professionals to perfectly exalt their sweet or savoury creations. The quality of materials is also seen in their thermal robustness, with all models in the line suitable for temperatures ranging from as low as -18°C to as high as +70°C.

La trasparenza e l'estrema lucentezza dei prodotti Elegant Catering Solution sono il frutto della nostra ricerca di eccellenza, che si esprime anche attraverso la scelta di materie prime di livello superiore - come il Crystal - e delle tecnologie utilizzate per ottenere finiture di alta qualità.

Grazie a queste caratteristiche siamo in grado di mettere sul mercato prodotti che consentono a tutti i professionisti di esaltare le loro creazioni, sia dolci che salate. La qualità del materiale si esprime anche nella sua capacità termica: tutti i modelli della linea si adattano a temperature che variano da -18° a +70° C.

Made in **MARTELLATO**

The products of the Elegant Catering Solution line are entirely manufactured by our company.

The result is a product conceived, designed, produced, packaged, tested and approved, before being placed on the market, with great attention to detail.

La nostra azienda realizza interamente i prodotti della linea Elegant Catering Solution.

Il risultato è un prodotto pensato, progettato, prodotto e confezionato con grande cura per i dettagli, testato e approvato prima della sua immisione nel mercato.

100% ITALIAN DESIGN

Italy continues to be considered one of the most well-loved and imitated brands in the world. For this reason, we are immensely proud to be able to say that our glasses and saucers are entirely made in Italy.

Indeed, our expert designers create refined products, with unmistakable style, proposing all the timeless elegance and class typical of the "Bel Paese".

L'Italia è ancora oggi considerato uno dei brand più amati e più imitati al mondo. Per questo siamo fieri di poter affermare che i nostri bicchierini e i nostri piattini sono interamente made in Italy.

I nostri esperti Designer realizzano infatti prodotti ricercati e dallo stile inconfondibile, proponendo l'eleganza e la classe senza tempo tipici del "Belpaese".
